STUDENT COUNCIL PRESIDENT
CURT PORATH

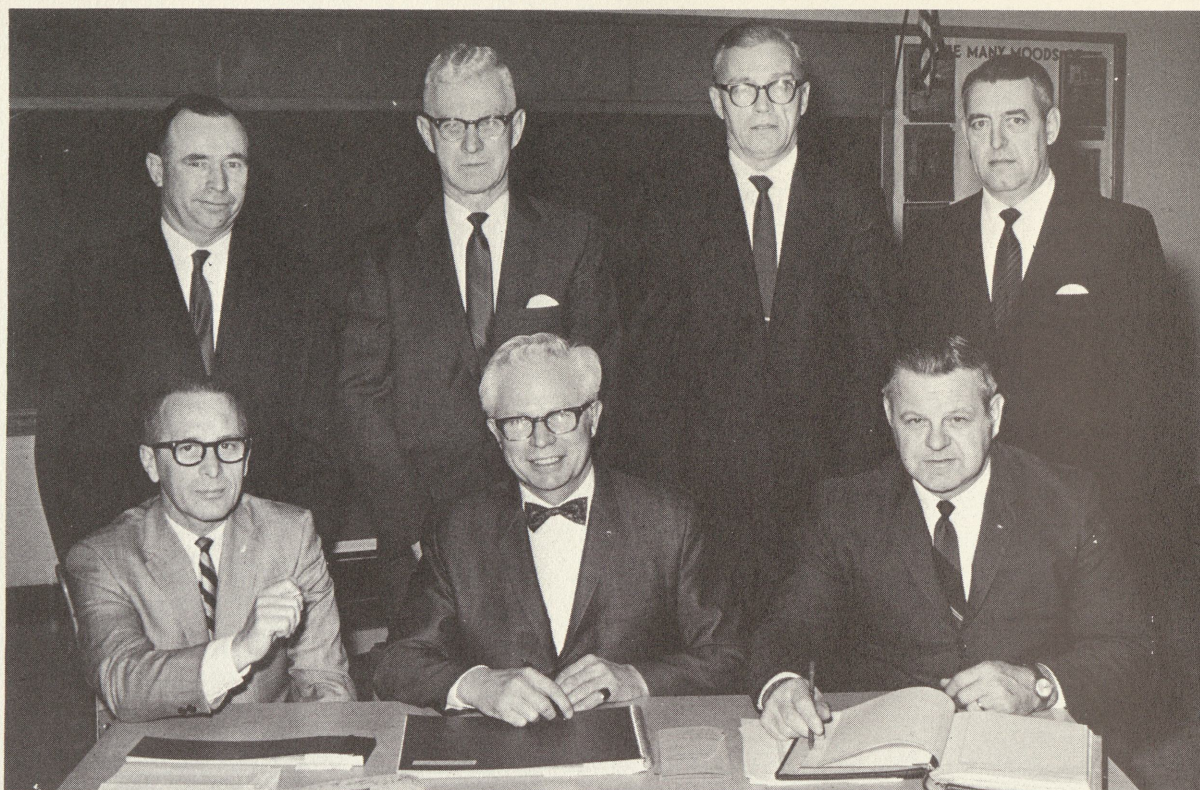

To Mr. A. W. Thorp, who for nearly a half century has served the youth of Michigan unselfishly and unsparingly, we dedicate this 1969 PANTHER TALES.

His kindness and gentleness -- his keen love for his fellow man -- his genuine fondness for living have all made him a lasting, unshakable part of Birch Run High School.

We shall cherish his friendship forever.

Pictured on this page are scenes showing construction details of the Birch Run Area Schools largest building program as the 1969 PANTHER TALES goes to press. Winter weather forced some of the construction on the addition to the Harry M. Layman Building and the new 26 room elementary building "indoors" and sent high school students pictured above on many cold "detours" between classes. In addition to the buildings mentioned, work is proceeding on new athletic field facilities with work on all projects scheduled for completion in September of 1969.

At lower left Superintendent of Schools Marshall Greene stands before the entrance to the lobby of the new library under construction in the high school addition.

FOOTBALL 1968

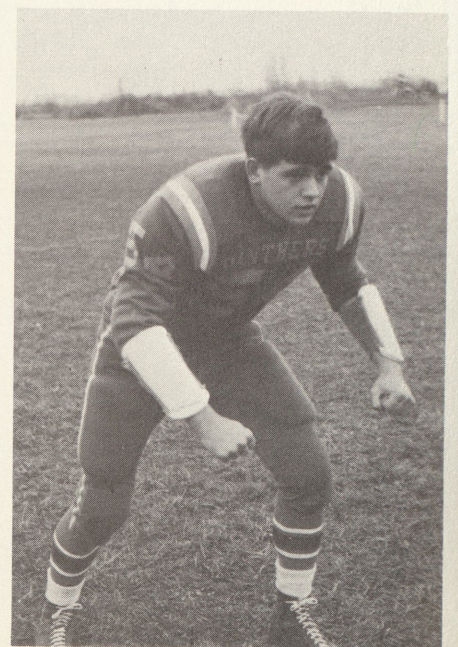

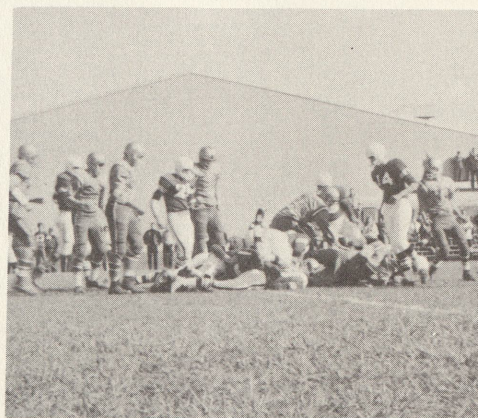

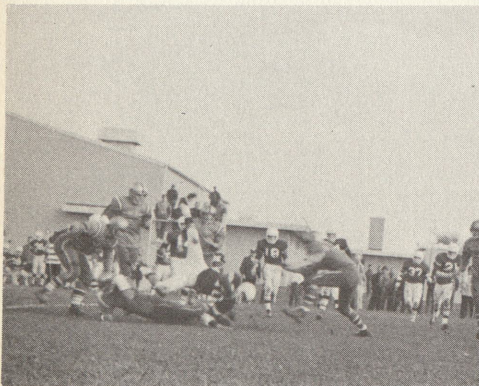

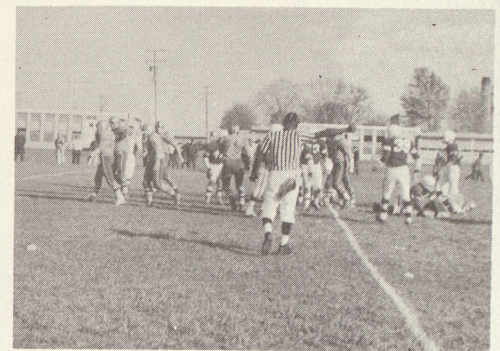

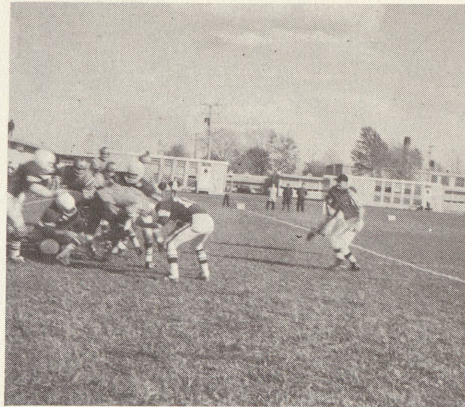

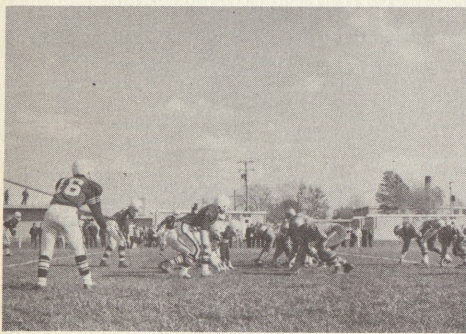

The Birch Run Panthers lacked the luster of other more outstanding seasons, but managed, nevertheless, to compile a 3 won - 6 lost record. The need for considerable sophomore staffing, lack of experience and lack of depth at critical offensive and defensive positions all contributed to a not so glamorous season.

After losing the first five grid contests the Panthers rallied about their head mentor, Coach Ray Peters, and mounted a three-win offensive before losing the final game to a rugged Freeland ball team.

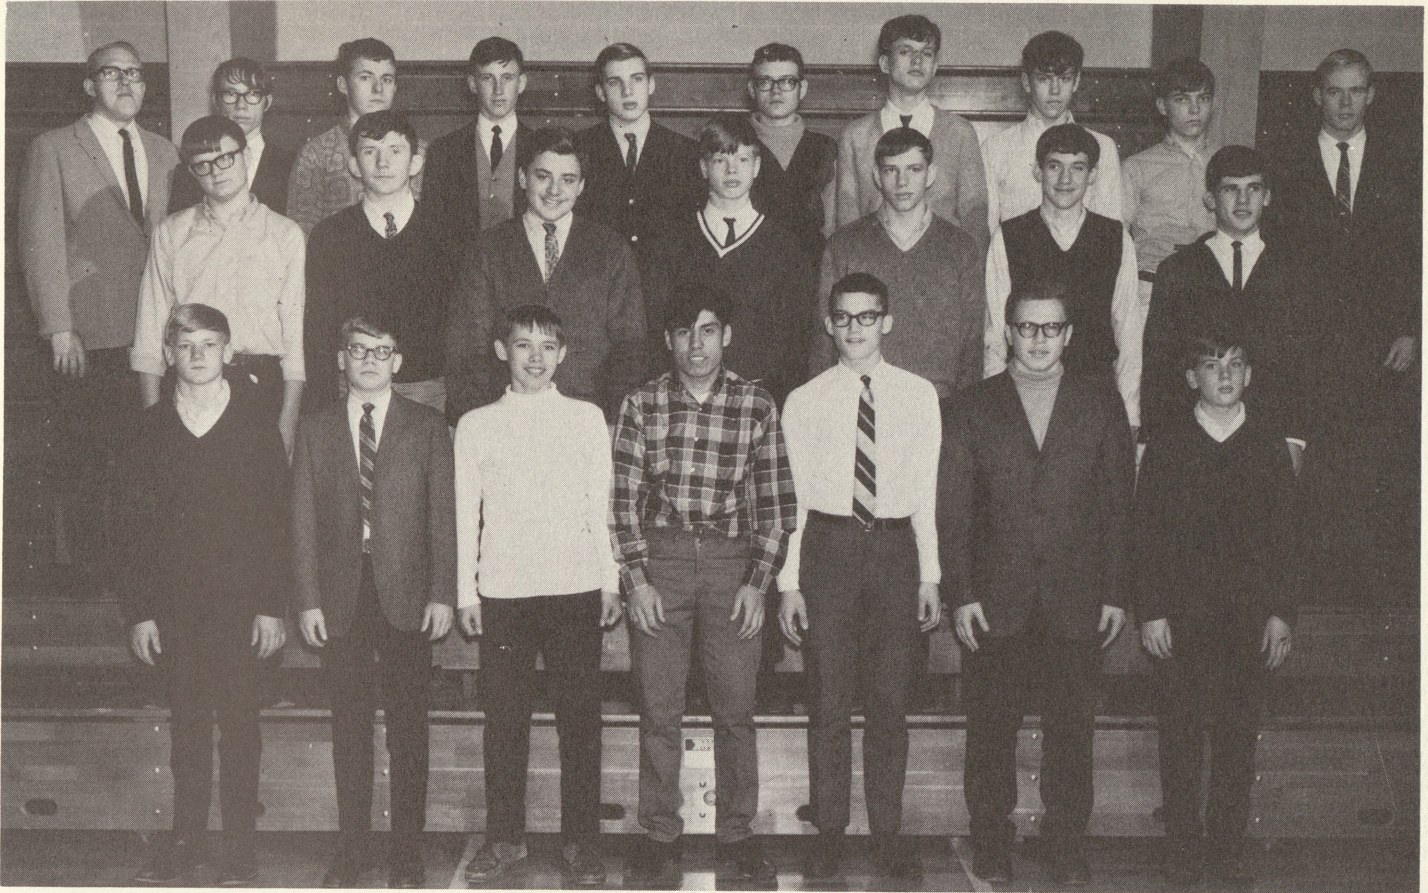

With a number of lettermen returning and a host of J.V.'s joining the ranks the Panthers look forward to an improved 1969 season in an ever-strengthening Greater Thumb Conference.

Highlights of the season included a third place trophy in the Caro Holiday Tourney and two Birch Run High School Scoring records set by Dennis Keith. The Panther Cagers tied for third place in the eight team Greater Thumb Conference.

Dennis Keith and Tim Periard were chosen as Team Captains and Brad Matzke was selected as most valuable player by members of the team.

TRACK 1968

The Birch Run Panther track team was a vastly improved group in its second year of competition with record performances turned in by several harriers. The track team for the past two years, has been made up primarily of underclassmen. Because of this next year's track team will be a more experienced group and should show considerable improvement over past performances. We are looking forward to the time when our own all-weather track, now under construction, will be available for use.

BASEBALL 1968

The 1968 baseball season has got to be recorded as one of the finest ever in the history of Birch Run High School. This campaign saw a hustling Panther nine post an all-time record of twenty-two victories in twenty-seven games. En-route the Panthers earned second place in South Central Conference play and reached the Regional finals of the Mt. Pleasant tournament.

Highlights include the breaking of 19 individual school records, D. Keith pitching consecutive no-hit games, K. Klein facing only 21 men at Vassar, turning in 17 double plays, D. Neff and K. Klein making the All Conference first team; and J. Kline losing only one game in two years.

Varsity letters were awarded to Ed Niemi, Don Cooper, Don Loomis, Don Neff, Ken Klein, Curt Porath, Dennis Keith, Ron Reed, Bob Tune, Jerry Kline, Bob Ross, Brad Matzke, Dick Crandall, Steve Viau and Brady Gray.
